Workshop 1 information

Doug Hazen- Prayer, Harvest Readiness and Your Church

Description: Your church's impact on the harvest rests on leadership and workers in the context of prayer. Doug will give four vital, biblical principles that will help you assess your church's readiness to engage in the work of the gospel.

Dominic Done - The Purpose of Prayer

Description: Prayer is the lifeblood of God's mission in the world. But this raises the question: Why prayer? What is it about prayer that makes it so essential to God's purpose for us and the church?

Worship Team - Light of the World Prayer Center- Dana & Amy Engels - The Wisdom of Combining Worship and Prayer

Description: As much as we often try to separate the two, worship and prayer are designed by God to go together. This interactive workshop will demonstrate that blend and the priority of attracting the sense of God's presence through worship leading to the appeal for his work to be done.

Wendy Morgan- Journey to the War Room

Description: You've seen the movie, now come hear from one who was inspired to create her own war room. Wendy will share how she incorporates it into her daily walk, what she has learned about prayer, and what has been the greatest impact in her Christian life.

Dwight Steele - Christ's Heart for the Lost

Description: Do Our Hearts Break for What Breaks His? The church produces leaves but no fruit. We have ritual without reality. Ministry without humility. Celebration without heartbreak.

Workshop 2 information

Jason Hubbard - Launching an Effective and Dynamic Prayer Ministry in your Local Church

Description and Bio: By the grace of God, Jason's desire is to be an extravagant worshipper of Jesus, and anointed deliverer of men and a godly husband and father. He has been married for 24 years to Kristie, and has 3 beautiful kids. Previously he worked as the Associate Pastor of prayer and Bible at Christ the King Church in Bellingham, WA. He received his Doctorate in Discipleship in 2013 at Talbot Theological Seminary. For the last 8 years, he has been working as the executive director of Light of the World Prayer Center. Currently there are 40 area churches that each take a day of prayer once a month every month, asking God for a massive Christ awakening which has led to noticeable church growth, and 60-90 pastors meeting to pray on a regular basis.

Gerry Breshears - Must We Pray Down Territorial Spirits Before We Can Do Evangelism?

Description: What are territorial spirits? Must we break their authority, waging targeted, powerful warfare against them to be effective in Great Commission work? How does this relate to demonization? Or is focus on territorial spirits a distraction from the command to make disciples?

Dennis Fuqua - Elevating Our Prayer Life

Description: Too often we pray prayers that are "lower" than the prayers we read in Scripture. This workshop is designed to ruin ordinary, mundane prayers. We will look at some Biblical prayers and learn how to turn even seemingly insignificant, distant prayer requests into powerful Scriptural prayers.

Daniel Fender - Praying through the Psalms for the Nations

Description: "Teach us how to pray" is one of the oldest and newest questions Jesus' disciples ask. But so rarely do we look at the primary book that taught Jesus how to pray. The Psalms and the prayers for the nations in the Psalms are central for our hearts to learn to pray. Come and learn about how to use the Psalms to seek the Kingdom of Christ for the nations and cities of this earth.

Jody & Dan Mayhew - Relaying the Foundation for Prayer

Description: Addressing different ways of approaching prayer, with opportunity given to exercise insights.
