

2018 “There is Hope.” Conference Frequently Asked Questions

Will there be food available to purchase?

Yes. We will be providing meals for sale Friday evening and Saturday for lunch and dinner with a gluten-free option available. There will be no pre-ordered meals this year. Meals will be available on a first-come, first-served basis.

Also, Rolling Hills will be selling coffee and snacks from their Atrium Café.

What about children, children's activities? Do they have to register as well? Will the Global Fair be back?

Yes, by very popular demand, the Children’s Global Fair, specifically created for elementary-age children, will be back! It's a great place for children to be introduced to missions' concepts in thought-provoking ways under **parental supervision**. Look for this Saturday from 11:00am-2:30pm and from 4:30pm-6:30pm.

As always, we do ask children age 12 and up to register.

Will there be overflow parking?

No. Parking is limited to the RHCC lot only. **Please do not park on Borland Road or any of the area streets.** It is not safe and it is possible that law enforcement may feel it necessary to take action which could include having cars towed at the owner’s expense.

Do I have to preregister?

Yes, please. We are anticipating near record number of attendees and need everyone to register ahead of time so that we can manage the occupancy of the facility. **We will not be equipped to register crowds of people on-site.**

Do I have to preprint my tickets?

No. We have changed our system this year, and we will have your tickets waiting for you when you arrive. Please go to the main entrance for check-in.

Can I check-in with a paperless ticket on my smart phone?

With our new registration system this year, you will not even receive a ticket via email, only a ticket confirmation. Please go to the main entrance for check-in.

Will the workshops and plenary sessions be recorded?

Yes. Workshops and plenary speaker sessions will be recorded and available soon after the event is completed. However, due to the sensitivity of some ministries, a very few number of workshops may not be available post-conference. While we do apologize for this inconvenience, we also ask for your understanding as we protect these ministries.

Please watch our website, www.missionconnexion.com, for availability within a week or two after the end of the conference.
