MULTNOMAH.EDU
Welcome to Mission ConneXion Northwest 2018! **THERE IS HOPE!**

Matthew 12:21 says: “In His Name (Jesus) the nations will put their hope.” Our theme and desire for Mission ConneXion Northwest this year is that the Nations put their hope in the only One whom the Scriptures say “IS our hope!” Hope is often defined in terms of a feeling or desire for a certain thing to happen, carrying with it a degree of doubt, as in, “I hope we have good weather this weekend!”

However, Bible-defined hope projects a confident assurance based on a sure foundation for which we wait with joy and full certainty, as in Hebrews 11:1: “Now faith is being sure of what we hope for; certain of what we do not see.”

Hope is a reality not a feeling! So this weekend take full advantage of:
- New Plenary Speakers: Samuel Stevens, Francis Chan, Jamie Winship, and Peter Greer.
- New Exhibitors like: JAARS, Biola ICS, and Contagious Discipleship.

It is our expectation that, through these speakers, workshops, interactions with exhibitors, and divinely-appointed conversations, you will come away with practical steps you can take to bring Hope to the nations…whether it takes you to the ends of the earth… or right here to our own small corner of the world!

Biblical studies, cross-cultural communication, in-the-field experience, and intercultural leadership development. All this adds up to vibrant spirituality and know-how to carry the gospel beyond North American borders. Better still, you can spend just four weeks of class in the U.S. and complete the rest online.

Ready to go? Talk with us today at Mission Connexion and learn how visiting campus can get your first credit of tuition covered by us.
